

# Tax Breaks for RV Purchasers

**Did you know that interest paid on the majority of RV loans is tax deductible as home mortgage interest?**

To qualify, the Internal Revenue Service (IRS) has ruled that:

- The RV must be used as security for the loan;
- The RV must have a basic sleeping, cooking, and toilet facilities; and
- Taxpayers may not claim the interest from more than two qualified homes on their returns.

So enjoy the benefits of RVtravel and get a tax advantage too!
